

### [Logan Airport to S1 Littleton](#)

Caution: Due to extensive construction within the Metropolitan Boston Area, you may be detoured. Please follow the appropriate signs to 93N out of Boston.

1. Exit the airport following the signs for the Sumner Tunnel / I-93 North. Have \$3.00 ready for the toll, which you pay at the entrance to the tunnel (It is quicker if you stay to the far right as you approach the tunnel).
2. Go through the tunnel (approx. 1 mile).
3. As you exit the tunnel, several possible right hand turns appear. Skip the first 2 and take the last possible right, which will be an on-ramp to I-93 North.  
\*\* Getting onto Route 93N is rather tricky. Pay careful attention to the signs and you should be able to negotiate this successfully.
4. Follow Route 93 North (apprx. 20-25 minutes) to I-495 South, exit 44B (Lowell).
5. Follow I-495 South (apprx. 20-25 minutes) to Exit 31 (Acton/Groton/Route 119).
6. At end of ramp take a Left onto Route 119 West.
7. Take your first immediate Left onto Russell Street (100 feet).
8. S1 Corporation-119 Russell Street is the first building on the Left (approx. ¼ mile).
